The Mastercraft Limited Warranty Enhancement for your Shingles is the version in effect on the date of retail purchase. Information included in this version of the Mastercraft Limited Warranty Enhancement was current at the time of publication.

If all of the Eligibility Requirements set forth below are met, this Mastercraft Limited Warranty Enhancement supplements the standard limited warranty (the "Standard Limited Warranty") covering Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles when installed by a *TAMKO Pro* Certified Roofing Contractor.

Full Start Period: The Full Start Period is the initial period of the Term during which TAMKO's obligation is not prorated and includes the reasonable cost of labor. If all of the Eligibility Requirements set forth below are met, the Full Start Period for Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles is increased to 30 years. (In the Standard Limited Warranty, the Full Start Period is 20 years for Heritage Vintage and Heritage Premium Shingles and 15 years for Heritage Woodgate Shingles). During the Full Start Period, TAMKO will provide a Material Certificate for replacement shingles to repair or replace all shingles with manufacturing defects which have directly caused leaks and a Labor Payment Certificate that may be used to pay the reasonable cost of installing such replacement shingles. In addition, during the Full Start Period, TAMKO will include in the Labor Payment Certificate the reasonable cost of tear-off, removal and disposal of shingles with manufacturing defects which have directly caused leaks. After the Full Start Period, TAMKO's obligation will be to provide a Material Certificate for replacement shingles prorated over the life of the Standard Limited Warranty. See the Standard Limited Warranty for complete details.

Transferability: The Owner of Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles, meeting all of the Eligibility Requirements set forth below, may transfer the Standard Limited Warranty with this Mastercraft Limited Warranty Enhancement one time during the first ten years of the Term to a Purchaser. No other transfers are permitted.
